

Mystery Voice

Call on one child to come to the front of the class, close his eyes, and turn his back to the rest of the class. Next, point to another child to say the verse out loud, but with his voice disguised. The child at the front tries to guess who is saying the verse. If he cannot guess correctly, he must sit down and the one who disguised his voice comes to the front and tries to guess who the next disguised voice is. If he guesses correctly, he can have another turn. As long as he guesses correctly, he may stay in front.

Note: To help all of the children learn the verse, have the whole class say the verse together between disguised voices.
