

“What is Heaven Like” Review Game

(Revelation 21,22)

Print the page of heaven pictures four times. Cut out all sixteen pictures. On the back of each picture, glue one of the following messages. Cover each picture card with clear contact paper.

It has a street of pure gold!	It has a street of pure gold!
There is a river clear as crystal!	There is a river clear as crystal!
There are 12 gates (each gate is a pearl)!	There are 12 gates (each gate is a pearl)!
There's no night there!	There's no night there!
Jesus lives there!	Jesus lives there!
There's no crying there!	There's no crying there!
There's no pain there!	There's no pain there!
No one dies there!	No one dies there!

To play the game, place all of the picture cards (heaven side up) on a table. Or if you like, put a magnet or flocked contact paper on the back and use them on a flannelboard or magnetic white board.

Divide the class into two teams. Ask a review question from your lesson. The child who stands first gets to answer the question. If he is correct, he can turn over two picture cards. If the message on the back is identical, he keeps them for his team and gets to turn over two more. He can keep going as long as the messages match each time. If at any time the messages on the two he turns over do not match, he must replace them exactly where they were. Continue the game by asking another question and repeat as before. When all of the picture cards have been matched, each team counts how many picture cards they have. The team with the most picture cards wins!
